

Cartamundi™

Cartamundi USA | 5101 Highland Place Dr. | Dallas, TX 75236 | (214) 330-7761 | www.cartamundiusa.com

After more than a year of engineers, contractors, inspectors and movers, “Cartamundi USA is alive, well and fully occupying its new home in Dallas.” For those of you familiar with the old Yaquinto Printing and Yaquinto/Cartamundi buildings, we’re located just five (5) minutes to the west in an attractive, secure industrial park. The 300,000 sq. ft. building is at the center of our campus. With over 500 parking spaces, 40 dock doors, environmentally controlled manufacturing space, customer apartments and a 300 ft. mezzanine that overlooks the entire manufacturing floor, we are, (at first glance) unique. With your first project we believe you’ll experience a company that has not only upgraded its facilities, but gone through a complete “attitude adjustment”. Procedural improvements, the addition of “next gen” equipment and expanded service offerings will greet you at every turn. You may have noticed already, but we’re extremely happy with the new “digs”!

In browsing through the site you’ll see:

- We now offer, (in-house) graphic and structural design.
- An expanded pressroom, which includes the first KBA, 41”, full-UV, 10c perfecting press with multiple coaters delivered to North America.
- Service offerings beyond cards and games. Certainly not new for our Dallas facility, but until now paperboard and plastic packaging, POP, variable imaging, kitting and fulfillment services have not been highlighted. See Packaging, POP and Gift Cards.
- A marked improvement to on-site security. Our new home is fenced and gated w/guard station and recording security cameras throughout. Access point controls and 24/7 security officers complete the upgrade.
- A commercial, major equipment list is also included in our web-site revision for your review.

The excitement and enthusiasm continue to build here in Dallas, and it is our hope that you will experience an improved service level as a result of our transformation. We thank you for your patience and consideration during “the move”, (Sep. ‘08 – Jan. ‘09) and look forward to seeing you soon.

Best regards,
Steve Young
CEO, Cartamundi USA
